**PART B: EXPLANATORY NOTES PURSUANT TO APPENDIX 9B OF THE LISTING REQUIREMENTS OF BURSA MALAYSIA SECURITIES BERHAD**

**1 Review of Performance**

The Group's revenue decreased by 34.0% to RM81.13 million for the current quarter as compared to RM123.01 million reported in the previous corresponding quarter while the pre-tax profit decreased to RM0.90 million for the current quarter compared to a profit of RM2.37 million reported in the previous corresponding quarter. The decrease in current quarter revenue as compared to the corresponding quarter was mainly due to the completion of certain contract works by the construction and project management division.

**2 Material Changes in the Quarterly Results Compared to the Results of the Preceding Quarter**

The Group's revenue decreased to RM81.13 million for the current quarter as compared to RM91.63 million for the immediate preceding quarter. The decrease was mainly attributed to lower billings from property division, caused by lower sales, completion of certain ongoing development projects as well as delay in approval of new projects. The Group recorded a pre-tax profit of RM0.90 million for the current quarter as compared to the pre-tax profit of RM1.68 million for the immediate preceding quarter. The lower profit was mainly due to lower billings from the property division, extensive marketing event costs for its new projects launched during the previous quarter coupled with costs escalations due to higher construction and energy costs.

**3 Prospects for the current Financial Year Ending 30 June 2008**

The Group has launched new projects such as Amaya Saujana, V Square, Pearl Villas and Bayu Villas during the last quarter. These projects are expected to contribute positively to the earnings of the Group in the future. However, it is widely recognized that construction and energy costs, already at record high, may escalate further. These, together with the effects of the global credit crises, may affect the margins for the projects. Notwithstanding the above, the Board of Directors envisages the Group to achieve satisfactory results for the financial year ending 30 June 2008.
